

Mrs. Peinado
Room 203

Workplace Math 10

Name: _____
Block: _____
Date: _____

Materials Required:

Pencil, pen

Calculator (scientific)

Eraser

Binder (3 rings)

Ruler

Topics

Your mark will be weighted cumulatively throughout the term..

Unit 1 - Unit pricing and currency exchange

Unit 2 - Financial literacy

Unit 3 - Length, area and volume

Unit 4 - Conversions

Unit 5 - Measures of central tendency

Unit 6 - Graphing

Unit 7 - Trigonometry

Assessment

You can expect assessments FOR learning and assessments OF learning.

- Assessments FOR learning may be questions, worksheets, activities, quizzes which you are required to do as a part of the learning process.
- Assessments OF learning show me what you have learned during or after the unit. These may be projects, quizzes, or tests.

Grades are cumulative, what you see is what you have.

Attendance

It is expected that you attend every day. Your parent/guardian must contact the school to excuse your absence. You are responsible for catching up on missed assignments on your own time. Missed tests or quizzes will be completed during lunch or WISE blocks

General Classroom Rules

- Be here and be punctual to all classes.
- Cell phones are not to be used in class.
- Stay focused on the task and ask for help.
- Be respectful to all in class.
- Be prepared for class before the class starts.
- Complete all work well done and hand it in on time.

Communication

- You and your parent/guardian are welcome to contact me via email (epeinado@sd73.bc.ca) with any questions or concerns.
- I can also meet you or your parent/guardian by making an appointment at lunch time.

Extra Help

I am generally in room 203 before school and during break. If you require any help, please drop by. Use WISE blocks for extra help!
