## ABORIGINAL PROGRAMS AND SERVICES CONSENT

DATE: \_\_\_\_\_ SCHOOL YEAR: 2018 - 2019

STUDENT NAME \_\_\_\_\_  
(please print)

A plan has been developed for Aboriginal programs and services at our school. This plan utilizes the funding received from the Ministry of Education called "**Aboriginal Targeted Dollars.**" School boards receive additional funding for students that self-identify as Aboriginal Ancestry. In School District #73, these dollars are allocated to offer Aboriginal programming and services in our schools.

According to our records your son/daughter has self-identified as being of Aboriginal Ancestry; as such, we would like to include your child in Aboriginal programming and services being offered at NorKam. If you would like your child to enjoy the advantages and subsequent benefits of these programs and services, please sign below. If there was an error in self-identification, or if you wish to decline the programming and services, you may also indicate this below. A complete list of programs and services that our district offers is available on the School District 73 website at [www.sd73.bc.ca](http://www.sd73.bc.ca)

If you have any questions or require further information regarding this initiative, please contact the First Nations Education/Support Workers at NorKam Secondary or Ms. Cheryl Sebastian, District Principal of Aboriginal Education at 250-374-0679.
